Dear Syafrudin Raharjo,

Your paper submitted to AACL Bioflux was preliminary accepted for publication, with minor corrections. Coming back soon with the reviewers comments regarding those minor corrections needed for processing.

After this acceptance you should pay 200 USD for publication (open access).

As the payment and bank transfer may be time consuming you may start the process of payment right now; we will send you the invoice immediately after the payment.

Please let us know when the payment is done (scanned receipt) in order to start the publishing process.

Please note that the Publishing House Policy does not allow to start the editing process prior payment.

Here are the info for payment;
take care to write correct the details:

1st variant of payment:

Beneficiary:
Bioflux SRL
City: Cluj-Napoca ,
Country: Romania, European Union;

SWIFT CODE of the bank: BTRLRO22

Account USD:
RO68BTRL01302202L28614XX

Bank:
BANCA TRANSILVANIA

Important! When bank transfer is used to pay a publication fee, please pay attention to which modality of payment you chose! There are three options: Ben, Our, Us.

Use always "Us" option (meaning that all the bank transfer costs are in your concern/ authors support them and not the publisher). If you forgot to mention that and you let the bank to set "Ben" or "Our" options, we receive about 60 usd instead of 100 usd or about 140 usd instead of 200 usd. Such payments are not valid and you need to pay again for the rest of the sum and one more transfer charge. We think you do not want that.

2nd variant of payment:

by Money Gram to:
Family name: Petrescu-Mag. Name: ioan Valentin
CNP 1790122120675
Identity card: KX 515472

Adress:

54 Ceahlau Street, Cluj-Napoca 400488,
Romania, European Union.

3rd variant of payment:

via credit card. If you can process such a payment we can start the online form.

If you prefer this variant than let us know and we send to you invoices via paypal, in your mailbox and after that you should process the payment.

For this variant of payment you need a credit card (international, non-iranian card).

Let me know if you need more details.

Please take into account that all bank taxes are in your concern.

Thank you for publishing with us !

Cordially yours,
Editor AACL Bioflux
Senior Researcher
Miklos Botha, PhD.
