INVITATION LETTER

Dr. Saraswati Prabawardani,
Faculty of Agriculture,
The State University of Papua, Indonesia.

To Whom It May Concern,

International Conference on Agricultural, Environment and Biological Sciences (ICAEBs'2012) that will take place on May 26-27, 2012 in Phuket (Thailand) aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of science, engineering and technology, and discuss the practical challenges encountered and the solutions adopted.

Herewith, the Planetary Scientific Research Centre's Scientific and Technical Committee is pleased to inform you that the peer-reviewed & refereed conference paper id: 0512618, titled as "*The effectiveness of AM fungal in improving the tolerance of sweet potato plants to drought stress*" and authored by Saraswati Prabawardani and Wasgito D. Purnomo, has been accepted for oral presentation at the conference and publication in Proceedings of the Phuket conference May 2012.

We would like to kindly invite Dr. Saraswati Prabawardani to present the research paper at the conference site in Phuket, Thailand. We would greatly appreciate if you could facilitate granting the conference delegate the necessary visa.

Sincerely Yours,

Conference Secretariat
