2nd INTERNATIONAL SYMPOSIUM ON UNDERUTILISED PLANT SPECIES
"CROPS FOR THE FUTURE – BEYOND FOOD SECURITY"
KUALA LUMPUR, MALAYSIA, 27 JUNE - 1 JULY 2011

CERTIFICATE

It is with great pleasure, I confirm that

Dr. Saraswati Prabawardani

Actively participated in the 2nd International Symposium on Underutilised Plant Species: "Crops for the Future – Beyond Food Security", by presenting an oral paper presentation, entitled
"The diversity and cultivation system of *Saccharum edule* L. and its role as an edible plant source
in Papua, Indonesia".

This event took place at the Royale Chulan Hotel Kuala Lumpur, Malaysia from the 27th June to 1st July 2011. The Symposium is organised under the auspices of the International Society for Horticultural Science (ISHS) with support from the ISHS Working Group on Underutilised Plant Genetic Resources, the ISHS Commission on Plant Genetic Resources and the ISHS Section on Tropical and Sub-Tropical Fruits. The symposium is co-convened and supported by the University of Nottingham Malaysia Campus, Crops for the Future, Bioversity International, the British Council and the Malaysian Agricultural Research and Development Institute.
