Dear Sir/Madam,

I would like to inform you that due to health reason, I can not attend and present my paper with title "**The Yield Potential of Papuan Foxtail Millet (*Setaria italica*) in Biak Numfor, Papua, Indonesia**". I already transferred the money for registration fee (\$250). I would like also to cancel my accommodation booking at the venue area. As I already paid the registration fee, can I receive the certificate and proceeding ? However, I am expecting that my paper can be published in the journal, for instance in the journal of Tropical Agriculture.

Thank you very much, and I am looking forward to hear from you.

Best regards,
Dr. Saraswati Prabawardani
